Subject: Planning application comments

Hello,

The Parish Council would like to provide the following comments in respect of the application below:

Valley View, Mordiford, Hereford, HR1 4LT:

Retention of domestic garage/workshop
Ref: 130777/F

The Parish Council support the application with the following conditions: timber cladding to be stained or painted a darker colour to lessen the visual impact and also suitable planting of hedging or shrubs to same effect.
