The following is a comment on application '**P200262/O**' by '**leonard nuttall**'

Nature of feedback: Objecting to the application

Comment:

I am objecting to this application & agree with all the objections already submitted. What I will say is I dont believe the planning officers take any notice of objections. We are told by the government & councils to protect the environment but it is a case of do as I say not as I do.
