**Subject : Refusal of Planning Application 193478 (Appeal)**

Dear Ms Matthews,

We are writing again to ask you to refuse the above planning development appeal for Hawthorn field. As residents of Archenfield Road for over [REDACTED] years the traffic congestion has certainly increased. Parked cars are a significant problem, exacerbated at school drop off and collecting times. Our primary concern with this development is the amount of increased traffic that will be in the immediate area and the risk to pedestrians, in particular school children who will not be seen behind any parked vehicles.

Other environmental points I'm sure others will have highlighted, we are happy to endorse as further argument against this planning development.

We would appreciate you giving this your full consideration.  
Yours sincerely,

Diane and Graham Lancaster.
