Subject: Application No. N123457/L - The cartshed at Halesend
Importance: High

For the attention of Nigel Banning - Our comments on this application are as follows -

"No objections - the storage shed should not in the future be turned into a separate dwelling or an extension and we feel that this should be the final development on this area. We consider the plans to be a sympathetic conversion".

With thanks for the slight extension - Mary, Clerk to the PC.
