Comment:

I don't have a problem with the drive through McDonalds in principle however I do feel strongly that this is an opportunity for the authorities to encourage some input into the local community. I feel that as part of the agreed planning permissions then the company should improve the local area and provide a pedestrian crossing across the A40. This I feel is in their interest enabling more people to access their restaurants as well as creating something useful for the people of Ross on Wye.
