House, now two tenements. Probably C16, altered in early C20. Timber-frame re-faced in stone and brick with slate roof and brick stacks. Rectangular plan with main range aligned east/west and cross-wings at each end. Two storeys. South elevation has 1:2:1 windows, 2-light early C20 casements, one entrance in each gable front. West cross-wing has exposed narrow-studded timber-framing to west and north sides. (RCHM Vol II, p 185).
