**Subject:** 203776 and 210373 - Brimfield  
**Importance:** High

Hello

I write as a matter of courtesy to advise with respect of both applications above, amended plans have been received and proposed and a new full round of public consultation is underway or triggered.

**203776 – Tenbury Road**

- features an amended site layout plan with new pedestrian linkages
- replacement of some houses with bungalows or dormer bungalows
- updated supporting statements

The site notices will be put up on receipt, these are being printed and sent to me tomorrow, and if necessary I will put them up at the Weekend or early next week when I'm on leave as I'm aware of the local interest

**210373 – Wyson Lane**

- the red line was amended to ensure the site connects to the public highway
- this necessitated new amended plans which in turn for accuracy and procedurally require amended site notices which have now been produced

The site notices will be put up on receipt, these are being printed and sent to me tomorrow, and if necessary I will put them up at the Weekend or early next week when I'm on leave as I'm aware of the local interest

The new site notices will trigger a further minimum 21 days from the date they are displayed for comments to be submitted. Allowance for Easter will be factored in as required. I've checked and the website has both files open for comments to be made, the date will be further adjusted to take account of the new notices and amended plans

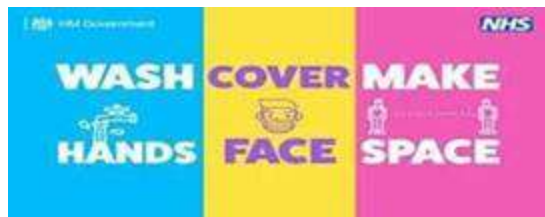

I trust this is helpful

Regards

**Herefordshire.gov.uk**
