

Planning application comment was submitted on the **09 April 2024 12:58 PM**

The following is a comment on application **P240422/F** by **Alexander Vanderlee**

Nature of feedback: Objecting to the application

Comment: I would like to object to the planning application that would see new houses built in close proximity to the Lugg Meadows. This is a site of extraordinary natural and historical significance, which I would like to see protected from the likes of rapacious property developers.
