Good evening Scott

I have attached the amended drawings.

I confirm the following:

I am applying for permission to keep an existing metal storage container in the front garden. We have started to clad it with wood to help it blend in with the surroundings. We will continue to clad it if/once we get planning permission granted. It is 3.058m long 2.550 m width and 2.715 m height.

Kind regards

Amy Wheeler
