The following is a comment on application 'P192208/O' by 'David Riddell'

Nature of feedback: Objecting to the application

Comment:

The access is unsuitable for development
The field is grazing and should remain as such
The village has many unsold properties
The access to the village is not suitable for the number of properties
Planned to be built already.
We have lived here over 30 years and feel that our objections to
Proposed developments are not being considered
