Date of Application: 8 August 2011 Application No: DMN/111654/F Grid Ref: 362502:254705

Proposed development:

SITE: Caravan Site, Munderfield Harold, Bromyard, HR7 4SZ

DESCRIPTION: Change of use from agricultural land for extension to existing static caravan site by 15 additional units and small site for touring caravans/campers. Proposed toilet/shower block.

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that PLANNING PERMISSION has been REFUSED for the carrying out of the development described above for the following reasons:

- 1 The traffic generated from the proposal can not be accommodated safely on the local highway network as the access into the site from the A44 has restricted visibility. The application is therefore contrary to policies RST14 and DR3 of The Herefordshire Unitary Development Plan.
- 2 The proposed site for the touring caravans and campers is considered detrimental to the overall character of the landscape and setting of the listed building being in full view from the public footpath and from the front of the listed building on site. The application is therefore contrary to policies LA2, HBA4 and RST14 of the Herefordshire Unitary Development Plan.

NOTES

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
